Blumenau

Located in the Vale do Itajaí region, Blumenau is the third most populous city in the state of Santa Catarina, with about 348 thousand inhabitants.

Founded in 1850 by the German philosopher Hermann B. O. Blumenau, the city has strong European characteristics and attracts visitors from Brazil and abroad for its German style architecture, gastronomy, nature, industries, draft beers and festivals, such as the Oktoberfest.

Photo by Murilo B. Candido
In the ranking of the 100 largest Brazilian cities developed by Delta Economics & Finance in 2014, Blumenau was ranked in 4th place, with especially high performance in the economic and life quality dimensions.

The city is a reference in education, infrastructure and skilled labor, and is prominent in several economic sectors, with emphasis on the textile and information technology markets.
